Experience

UI Designer & Graphic Designer Brouhaha Design Studio

Jakarta Selatan - Fulltime
Apr 2022 - Sept 2023

My roles on the team are making attractive concepts and designs for websites, social media, and other digital platforms. Collaborate and Communicate with PM for design feedback & Routinely looking for mockups for design purposes. I'm also create attractive concepts and designs for company profiles, annual reports, catalogs, brochures, packaging, logos, billboards and other promotional materials.

Graphic Designer Fridays For Future IDN

Jakarta - Volunteer
Agu 2021 - Nov 2021

Climate change is one of the most serious phenomena that threatens human beings with ending everything, and This movement is basically a demonstration of young people demanding action from governments against climate change. My role at the team is create campaign layout and design materials, and Visualising online campaign strategy in the pandemic Covid-19.

Graphic Designer Peradaban University

Brebes - Magang
Okt 2020 - Des 2020

My responsibilities in this position are to making social media post, banners, phamplet, poster and other print media. for better design, i need a feedback and thats why i always communicating it with LPPMB team.

UI Designer & Graphic Designer Kluban.id

Bumiayu - Fulltime
Mei 2018 - Agu 2019

Kluban. id is a small business built by lecturers and students in 2018. I have some roles in this team, as graphic designer to create designs for marketing and as a UI design to create their websites. Because this is a new business and a small business, I also brainstormed with others. Conseptualizing and visualizing designs into social media and event materials.
